

Club Equipment

The Club has a number of items that are available for use by **Club Members**. These items are provided for the personal use of financial members of the Triumph Car Club ACT Inc.

- **BBQ Trailer.**

Available for \$20 per use. The charge has been set to recoup the cost of gas and registration. The trailer is garaged at John McMaster's place in Monash. Contact John on 6291 0079 (h) or on 0408 491 367.

- **Car Trailer.**

The car trailer owned by the Club is available for members to borrow. Members borrowing the trailer are to make a contribution to the upkeep and maintenance of the trailer so that the onus does not fall on the Club as a whole. At the time of pick up, proof of financial membership must be produced to the custodian. The borrower is responsible for all damage incurred during the period of the loan. The borrower must meet all costs of any repairs or damage to the trailer that arise during the time from pick up to the return to the custodian. The trailer, whilst in the borrowers care, must be locked at all times and secured to prevent theft.

The upkeep contributions are \$50 per job which includes the first 100km. For journeys in excess of 100km, an additional contribution of \$5 per 100km is required due to the greater wear and tear on the trailer.

The trailer is garaged at Paul Burke's place in Hawker. Contact Paul on 6254 9349.

- **Engine Crane**

This item is provided free of charge to Club Members. You will need to provide a trailer for transportation. You may keep the hoist as long as required to complete your task. Contact Paul Burke on 6254 9349.

- **Specialist Tools and Equipment.**

The Club holds various specialist tools and equipment that are available to financial members at no cost. Consumables, such as heli-coils and inserts however, are to be replaced at the member's expense.

N.B The user of any of these items is fully responsible for any damage to the item and will be expected to fund any required replacement/repairs.
